(c) **Alternate method of operation**

To aid leagues that are having a difficult time getting enough players for their regular season teams the following option is available:

A pool of players from existing regular season teams can be created with players that are willing to participate in extra games during the regular season when teams face a shortage of rostered players for a regular season game. **NOTE:** Players may not be "borrowed" from an opponent. They must be assigned by the Player Agent.

Guidelines:

1. The league's Player Agent will create and run the pool. The league's Player Agent will use the pool to assign players to teams that are short of players on a rotating basis.
2. Managers and/or coaches will not have the right to randomly pick and choose players from the pool.
3. Under this option, when a player participates in a game on a team other than his/her own team, such player will not be permitted to pitch in that game.
4. Pool players that are called and show up at the game site must play at least nine consecutive defensive outs and bat once.

(d) Teams are not permitted to enter the Little League program intact, or nearly intact, from non-Little League programs. Under no circumstances will any team or group of players, which did not play on the same team for the previous regular season in the same division of a chartered local Little League, be placed together onto a regular season team in that local Little League. Such players must be processed through the Little League Draft Selection System as noted in this regulation.

VI - PITCHERS

(a) Any player on a regular season team may pitch. *Exception: Any player, who has played the position of catcher in four (4) or more innings in a game, is not eligible to pitch on that calendar day.*

(b) A pitcher once removed from the mound cannot return as a pitcher. **Junior, Senior, and Big League Divisions only:** A pitcher remaining in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once per game.

(c) The manager must remove the pitcher when said pitcher reaches the limit for his/her age group as noted below, but the pitcher may remain in the game at another position:

League Age	17-18	105 pitches per day
	13 -16	95 pitches per day
	11-12	85 pitches per day
	9-10	75 pitches per day
	7-8	50 pitches per day

Exception: If a pitcher reaches the limit imposed in Regulation VI (c) for his/her league age while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: 1. That batter reaches base; 2. That batter is put out;

3. The third out is made to complete the half-inning. **Note 1: A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day.**

(d) Pitchers league age 14 and under must adhere to the following rest requirements:

- If a player pitches 66 or more pitches in a day, four (4) calendar days of rest must be observed.
- If a player pitches 51 - 65 pitches in a day, three (3) calendar days of rest must be observed.
- If a player pitches 36 - 50 pitches in a day, two (2) calendar days of rest must be observed.
- If a player pitches 21 - 35 pitches in a day, one (1) calendar days of rest must be observed.
- If a player pitches 1-20 pitches in a day, no (0) calendar day of rest is required.

Pitchers league age 15-18 must adhere to the following rest requirements:

- If a player pitches 76 or more pitches in a day, four (4) calendar days of rest must be observed.
- If a player pitches 61 - 75 pitches in a day, three (3) calendar days of rest must be observed.
- If a player pitches 46 - 60 pitches in a day, two (2) calendar days of rest must be observed.
- If a player pitches 31 -45 pitches in a day, one (1) calendar days of rest must be observed.
- If a player pitches 1-30 pitches in a day, no (0) calendar day of rest is required.

(e) Each league must designate the scorekeeper or another game official as the official pitch count recorder.

(f) The pitch count recorder must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, the manager is responsible for knowing when his/her pitcher must be removed.

(g) The official pitch count recorder should inform the umpire-in-chief when a pitcher has delivered his/her maximum limit of pitches for the game, as noted in Regulation VI (c). The umpire-in-chief will inform the pitcher's manager that the pitcher must be removed in accordance with Regulation VI (c). However, the failure by the pitch count recorder to notify the umpire-in-chief, and/or the failure of the umpire-in-chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.

(h) Violation of any section of this regulation can result in protest of the game in which it occurs. Protest shall be made in accordance with Playing Rule 4.19.

(j) A player who has attained the league age of twelve (12) is not eligible to pitch in the Minor League. **(See Regulation V – Selection of Players)**

(k) Pitching in more than one game in a day:

Minor League and Little League—A player may not pitch in more than
