Saturday June 11, 2011

At 6:00 pm Friday June 10, 2011 Aurora Masters Lacrosse will start our fourth annual marathon charity lacrosse game called DOVE (Determined to Oppose Violence Everywhere). We are an eclectic group of lacrosse players of different ages, backgrounds and playing abilities but have one common love - the game of lacrosse! DOVE is our attempt to raise the awareness of the game of lacrosse but more importantly to support two organizations which deal with the affects of abuse, violence and neglect in our communities everyday. The Canadian Centre for Abuse Awareness (www.abusehurts.com) and Spirit of the Stick (www.spiritofthestick.com) reach out to those most in need, provide the essentials to rebuild not only individuals but the heart of the community as well!

Our executive would like to encourage all the lacrosse associations, groups and players across the province to designate Saturday June 11, 2011 as Lacrosse Day in Canada. We hope that you'll join this cause to demonstrate that the lacrosse community truly does care!

Your task is quite simple. Select a local organization that could use your support. Drop by the Lacrosse Day in Canada website to secure any resources or additional guidance. Spread the word. Tell us about your goals for this campaign and watch this spread across the country! We have a mascot naming contest to generate some additional excitement!

Here is where to start www.lacrossedayincanada.ca

"It takes a community to raise a child, but who will help those who support the community?" Lacrosse players across the province are determined to go the distance: Are you?

Cheers,
