

## **2011 BAMALAX TRAVEL LACROSSE**

**Greetings !!!**

**Lacrosse is not only the fastest growing sport in the USA, but also the fastest growing sport in Alabama ! This year the Bamalax travel program will field teams at the Under 11 year old boys (U11), two teams at both the U13 and U15 boys level as well as high school boys and girls elite levels!**

**This season will be Bamalax's fifth season. In 2010 the Bamalax U13 team qualified for the National championship in Wesley Chapel, Florida and finished 9<sup>th</sup> in the country ! Bamalax will travel to Atlanta, GA, Rock Hill, South Carolina, Raleigh, NC., Chattanooga, TN., Richmond, VA., and Hershey, PA. ! Competing against some of the best club teams in the country.**

**To successfully compete during the schedule that is planned, sponsor help is needed and will be greatly appreciated.**

**Although each player pays to play on Bamalax there are several players that can not afford all of the fees and many scholarships are provided. This past season, 3 players that received Bamalax scholarships were noticed at tournaments and due to their exposure through Bamalax received athletic and academic scholarships affording them to attend Howard University in Washington, DC and Guildford College in North Carolina !**

**Your sponsorship money will also help offset tournament expense to reduce the overall cost per player and help with our efforts to support local parks and recreation departments with field expenses. In return, Bamalax will feature your organization as a sponsor on our web site, [WWW.BAMALAXSELECT.COM](http://WWW.BAMALAXSELECT.COM) with your logo and description of your business, Bamalax will also have field banners featuring your logo and all Bamalax members will be encouraged to use the services you provide whenever possible.**

**If you can support Bamalax, please make your check payable to BAMALAX and mail the check to 1949 Lakemont Drive, Hoover, AL 35244.**

**Feel free to contact me to answer any questions you may have. We look forward to a great year of Bamalax lacrosse in 2011 thanks to your support.**

**Sincerely,**

**Chris Cos
