

DREAM BIG - THE GREEN BAY JUNIOR GAMBLERS

FUNDRAISING SUMMARY - Helping Make Hockey More Affordable

The Green Bay Junior Gamblers want hockey to be as affordable as possible. The difference with the Gamblers is that we are committed to offering programs to help significantly reduce your cost of hockey!

Fundraising Program Highlights

1. TEAM SPONSORS

Team Sponsorships are a great way to lower player fees and get the community support. Benefits go to the individual player by reducing player fees and to fellow team players reducing their fees.

There are three Team Sponsor Levels – Jersey for \$5,000 and up, Helmet for \$3,500 and Equipment Bag for \$2,000.

2. INDIVIDUAL JERSEY SPONSOR

Earn a credit for getting an individual jersey sponsor. Your sponsor will receive a fabric name plate to be placed at the bottom of each jersey for the 2011-2012 season. The Individual Jersey Sponsor level is \$500.

3. INDIVIDUAL PROGRAM SPONSORS

Each year we publish a collectible Junior Gamblers Program that aside from individual and team photos is full of advertisements. By getting advertisements families can receive a substantial credit! In the 2010-2011 season, over 1/2 of the families participated receiving credits ranging from \$150 to \$3,900! Player fees were offset by more than \$30,000!

Ads go for \$1,000, \$500, \$250 and \$150.

4. SCRIP

Earn a significant credit every time you buy gas or go to major retailers. Get your family and friends to buy SCRIP from you to increase your credit. Total scrip sales in 2010-11 reduced player fees by almost \$4,000.
