

Junior Gamblers AAA Hockey Association

Dear Prospective Individual Sponsor:

The Northeastern Wisconsin Junior Gambler Hockey Association was founded in 2001 as a non-profit AAA youth hockey program (IRC 501(c) (3) sanctioned). The mission of the Jr. Gambler Association is to develop elite-level hockey players of high moral character. We challenge our players and coaches to stretch their talents to reach their highest potential.

Our teams include Squirts (Ages 9-10), PeeWee Minors (Age 11), PeeWee Majors (Age 12), Bantam Minors (Age 13), and Bantam Majors (Age 14). Each team competes at the highest level of hockey play in the country, the AAA program, allowing them to compete against the best teams in the United States and Canada.

Skill development in hockey is a product of individual desire, adequate practice time both on and off the ice, and a high level of competition. The qualities developed through this program will benefit these players throughout their lifetime.

The individual player's financial responsibility will be between \$2,300- \$3,500 per year. The cost of travel and lodging could add another \$4,000 per year to this total. This represents a huge financial commitment for our players and their families. In an effort to ease this financial burden, players are allowed to procure team sponsorships to help offset individual and team obligation. It is only through the generosity of businesses and organizations like yours that this opportunity remains affordable for all. We are asking that you consider being a Green Bay Junior Gambler Team Sponsor.

Respectfully Yours,

George Bureau
President, Green Bay Junior Gambler Hockey
