

The Milwaukee Junior Admirals provide several opportunities for our families to supplement their players' fees. MJA has two types of fundraising:

Organization/Team Fundraising

These fundraisers help to offset full-club costs, these costs would otherwise be passed on through the players' fees. This year's group fundraising efforts include:

MJA Golf Outing

Friday September 9, 2011 Shotgun start golf outing - 18 holes with up to (8) golfers at each hole, dinner, and auction to follow...non-golfers are invited to the dinner and auction starting at 5pm! See the MJA website for registration information.

Summerfest Ticket Sales

Send an email to all your friends (and your kids friends) to have them buy discounted Summerfest tickets - each ticket purchased provides a kickback to your player's team.

Pick 'n Save WeCare Program

The Milwaukee Jr Admirals are part of the WE CARE program at *Pick 'n Save* food stores. Please take the time to sign up for price discounts with your *Pick 'n Save* card and a portion of each purchase will go to MJA. Milwaukee Jr Admirals Account #940475

Individual Fundraising

100% of the money raised from these fundraisers help to offset your player's individual fees. This year's offered fundraisers include:

Miller Park Brewers Fundraiser 2011

The Brewers Fundraiser offers you a great way to meet other MJA families while offsetting your ice fees. MJA is contracted to provide a crew to work in the concession stands during the Brewer home stands. For additional information, please see the MJA website's 'Fundraising' tab.

Player Profile Books

This is a great way for your player(s) to participate in selling advertisements to raise money toward their ice fees. The MJA books profile all the players in our organization and the advertisers receive copies for their use.

Mr. Z's Pizza Sales

Pizza sales/orders are taken in September with delivery in mid-October. 40% of the Mr. Z's order is applied against your player's fees.

Great Lakes Scrip

Use gift cards to purchase the items you buy anyway (groceries, gas, entertainment, vacations, etc) and scrip will donate a percentage back. MJA offers the scrip program throughout the year applying the fees to the fall invoice and again to the spring programs. Sign-up Grandparents, relatives, and neighbors in your child's name and their donation back will be applied to your child's account too!

More information about the GLScrip program can be found on the MJA website's 'Fundraising' tab.

Raffle

MJA will be sponsoring a raffle to win a trip to the 2012 Super Bowl in Indianapolis! The prize includes tickets to the game and some of the festivities leading up to it (worth approximately \$8,000). 100% of the proceeds from selling raffle tickets will be applied to your families fees.

Individual fundraising amounts are credited to the final payments and credited after final billings for a refund (Exception: Any funds raised by the GLScrip program are applied as a rolling credit and may be used towards spring/tryout fees for the following year).
