Equipment & Uniforms – Bill and Mike

- We are also moving to NIKE for our Lakers uniforms this fall. We must have our uniform orders in by the 20th of June to make sure we have them all delivered by the first week of August. The uniform fitting and ordering will be at registration, which looks to be Monday June 13th at this point. Most of you will be ordering your uniforms on that night of registration. If you cannot come to the registration night you have 7 days to go to Soccer 2000 in Downers Grove for a fitting and ordering or you may order on-line with Soccer 2000 without a fitting. Bottom line is we must have our uniform orders in by June 20th. Soccer 2000 is preparing a document for us all which shows what the uniforms look like. We are also moving to on-line spirit wear in the fall with Soccer 2000. A variety items will be available 3 times per year for us to order. More to come in the coming weeks.

- We are also hoping to have a drop box for old uniforms that can be donated. We will have this drop box at uniform pick up.
