WITH RESERVATION

COOL AND CASUAL

Have you got Friday, November 14th reserved on your calendar to attend the Kickers Bantam-Midget BANQUET? If you forgot, get busy and get on the phone to Mrs. Dottie Mueller (964-9082) to make sure you get a spot.

The Banquet will be held at the Bay Shore Lutheran Church, 1200 E. Hampton Rd., at 6:30 pm.

Adult reservations are \$3.00 each; children are \$2.50.

Awards will be presented to the Most Valuable, Most Improved, and Most Dedicated Players on each team accompanying all the coaches' remarks! According to those in charge, there will be other surprises in store, including movies of some Kickers games.

SO, shake a leg and join the Bantam and Midgets at their banquet Nov. 14th!

A WEE GRAND

Will you be there when the PEEWEE INVASION takes place? The invasion of the EAGLES CLUB, 2401 W. Wisconsin Ave., on Sunday, Nov. 16th, of course. The PeeWees' Awards Banquet will be held at that time, and there'd better be plenty of "big" people or the club management will really be worried (wouldn't you worry booking an event called a "PeeWee Banquet"?)

If the date slipped your mind, you may still call Joyce Webster (964-9156) for reservations. No tickets will be sold at the door, so call now while you think about it.

Banquet-goers will be treated to a chicken buffet dinner at \$4.00 per adult and \$3.00 per child. Cocktails will be at 4:30 and dinner will be served at 5:30. The dinner will be in the President's Room at the Eagles Club.

Awards will be given to three players from each team (MVP, MIP, MDP) and coaches will be able to size up their competition next year (since most of the PeeWee teams in the league are Kickers' teams!).

swingers

The SENIOR BASH, or awards banquet, is not for senior citizens, but for all of you who want to go to an "adult" party! Actually, this awards banquet is for the Intermediate, Junior, Senior Girls, First Division, Reserve, Major, and Old-Timers teams -- all of whom know how to have a good time!

And a good time is what will be had at STANTON'S, 5218 W. Bluemound, on Saturday, Dec. 6th., with cocktails from 6:30-7 pm, dinner from 7-8 (an all-you-can-eat buffet), Awards from 8-9:30, and dancing afterwards.

Tickets are \$5.50 per person 18 and over; \$5.00 under 18. Call Margaret Solberg (873-0837) with your reservations NOW...or at least by DEC. 1st! OR FILL IN THE FORM AND MAIL WITH YOUR CHECK TO Margaret Solberg 3337 N. 44th (53216)

meeting

Well, it's that time of year again, folks. It's the ANNUAL MEMBERSHIP MEETING of the Milwaukee Kickers Soccer Club... time to review the year and project the goals for 1976. It's also the time to elect a new Board of Directors, the people who set the policy for the club. Only members are allowed to vote, but the meeting is open to everyone involved with the Kickers and those who wish to be.

So, if you're interested in how the club is run and want to know more about the administration, be at MAJOR GOOLSBY'S on MONDAY, DEC. 1, 1975, at 8:00 P.M.

Nominees for election to the Board of Directors, according to the Nominating Committee are:

<u>Founding Members</u>	<u>Other Members</u>
Lorenzo Draghiccio	Gene Anguil
Lew Dray	Primo DeToro
Frank Kral	Pat Dillett
Alex Nikolic	Marty Hintz
Helga Nikolic	Jill Konicek
Milan Nikolic	Hans Mueller
Elfride Samy	Mary Riegert
Sirous Samy	Joyce Webster
	Mel Webster
	Bob Wiesian
	Ted Wedemeyer

The Board consists of twelve members, six of whom must be Founding Members, which accounts for the distinction in lists. A Director is elected for one year and attends a Board Meeting once every three months, plus the Annual Meeting. The Board is responsible for setting policy and acting on directional issues facing the club, i.e., size, range, philosophy of growth, etc.

The Kickers Organization extends its heartfelt sympathy on the recent deaths in the families of: Bob & Elfriede Wiesian
 Mike & Pat Dillett
 Joyce & Mel Webster

ANNOUNCING

Dan Harris has been selected as the recipient of the Community Service to Soccer Award to be presented at the Senior Kickers Banquet on December 6th.

The award is presented annually to an outstanding soccer person outside of the Kickers organization, who has helped in the development and promotion of the game in the community.

Dan Harris is the soccer coach at UWM, and currently has 12 Kickers playing on his squad. Since his arrival at UWM, the soccer program has increased in stature and prestige, not only in Milwaukee but becoming a Mid-west ranked team. Harris has made UWM a goal to attain in the eyes of young players coming up in the Junior Division.

Formerly the soccer coach at the Air Force Academy, Harris has been at UWM for three years.

nip of sweetness.

Shades of "Banana Boats" and "Kingston town", aki-rice and rum, the Kickers are going to JAMAICA! Arrangements have been made to take a high school age team (possibly intermediate-junior combination) and a senior team during the Easter holidays, April 16th through April 26th, for less than \$200 per player.

If you are of high school age and interested in taking the trip, call Elmer Ehlers (964-5196).

Senior division players interested in going should contact Bob Sarsfield (264-4308) or John Riegert (541-2137).

Any other interested travellers should call Marty Hintz (447-8235) or Alex Nikolic (476-2876).

Additional details in regard to exact departure and return times and room rates will be printed in the next issue of the KICKS.

The year is quickly coming to a close and it will be April before you know it, so make up your mind and call the appropriate person soon. Belafonte land beckons...with echoes of day-o...day-o -- put yourself in that picture!

added kicker

You know that old saying about someone making good? Well, Jeff did...JEFF GOOD, that is, saved the day for his Milw. Tech soccer team by scoring the only goal of the game to beat South, 1-0. Tech is in first place in their conference and is in the championship game against Madison H.S. on November 8. With Jeff Good, a Kickers Intermediate player the rest of the year, Tech's got the best!

Goalies should realize that they're only asking for trouble when they're away from their goal and want to play on the field -- in fact, they get fat lips for the asking! Just ask Bobby Pigo what happened to him in a scrimmage game when Riverside played Juneau (Bob is Riverside's and the Kicker Junior's goalie).

An Indoor Tournament for the Kickers is again being held at Riverside High School every Saturday this winter. The program is open to all youth division players. If your child is not involved...why not? Schedules (which were not available at this printing) can be obtained from your team manager.

Kickers patches and bumper stickers will be available to buy at the Kickers Banquets. Patches are \$1.00; bumper stickers are \$.50. Support your club; buy one for a friend.

The Kickers are in the process of planning soccer camps for next summer. Two types of camps are being considered at this time: day and overnight. Tentative dates for both will be between July 5th and August 15th. Camp fees have not yet been established.

Your assistance in determining the level of interest in holding such camps is requested. Please fill out and mail the following questionnaire by DEC. 15th to: KICKS, 1837 N. 83rd St. (53213)

You wouldn't forget

As the Kickers grew...so grew the KICKS! The need to reach the hundreds of families involved in the club became a vital part of the organization. Wide-spread communication was handled through the "KICKS" monthly newsletter, which grew with the Kickers from a two-page mimeographed mailing to a six-page or more printed edition.

The newsletter is a necessity in keeping the lines of communication open between the teams, sponsors, members, administration, and even the general public. It is, therefore, very important that every player receives his copy every month, and that can only be accomplished through individual effort. If you change your address, if you are new to the club (or know someone who is), if you dropped out and are coming back in, if you're moving out of state...PLEASE INFORM THE EDITOR (Helga Nikolic, 476-2876).

Information, anecdotes, jokes, and ideas all would be appreciated. If each team had a "KICKS" contributor, we'd have to get each edition bound! Why not?

CLUB STRUCTURE: The Kickers organization consists of a 12-member BOARD, elected by the membership, which operates all activities and makes all decisions concerning the club; (The Board elects the EXECUTIVE COMMITTEE (OFFICERS), which runs the day to day activities of the club.) the TEAMS; and the MEMBERS, who through their support strengthen the organization and are given voting rights in the operation of the club.
