

Hey Dad, Wanna Have a Catch?

Saturday, June 25

Fans of all ages have the opportunity to spend 50 minutes playing catch in the outfield, running the bases or chatting in the dugouts of beautiful Wrigley Field. This year, participants will have a chance to take live batting practice in the right field batting cages!

Participant tickets are \$150 and include

- a commemorative t-shirt
- your on-field photo to take home
- souvenir MLB baseball
- ball park lunch

Family and friends can purchase a guest ticket for \$15 each that includes access to the stadium and lunch but no field access. Children two and under do not need a guest ticket to enter the stadium.
