This year's event will once again be held at Bearpath Golf and Country Club on Monday, August 22nd. Last year, we had an overwhelming response and filled all 144 available golf slots. In addition, we had over 70 people choose the dinner/auction only option, and we're looking to top that this year.

There will be an awards presentation, dinner, special guest speakers, including one from the Minnesota Wild, and a great silent auction.

Please register early, and spread the word about this fun event benefitting the EPHA, and EPHS Boy and Girls programs. Registration Deadline is August 5th.

Enjoy a complete program of special events, 18 holes of golf, door prizes, and a special guest speaker from the Minnesota Wild.

- Putting Contest*
- Closest to the Pin*
- Longest Drive*
- Many other fun events*

*Golf Attire is required.
Collared shirts and golf shoes only.
No steel spikes allowed on course.*

We need your help in making this event a success once again in 2011. Please consider sponsoring a hole, or donating a great item for our silent auction.
