

VARSITY FOOTBALL

The Varsity Football team had a good season. The team was 5-1 until they hit a low point and lost three of the next four games, they took these losses in stride and turned their efforts towards the playoffs. Some of the key players were Terence Bowers, Billy Shackelford, Eddie Grose, Randy Melton, and Philo Pack. Despite defeat in the playoffs more spirit was shown by this year's Jockers than in many years past.

J. V. FOOTBALL

The J.V. football team was put together exceptionally well this year. They had a tough season winning only two games out of the seven they played. This disappointing set back has prepared the J.V. team to become better players and good sports. Hopefully, next year will have better luck as varsity players. Even though the season was difficult, the players maintained constant spirit and stamina.

FRESHMEN FOOTBALL

The Freshman team had a good season. Though they may be beginners in school football, this season showed them to be worthy opponents to those they played. Under Coach Dayer's leadership, they had a season that was above most expectations!
