

- The Bayport Travel Soccer uniform program will be run through the Baymen Soccer Club's "Soccer Shack". We feel the need to create a level of consistency with our club uniforms. Going forward all U11 and younger age group will be required to follow these standards. It is suggested that all age groups follow the new standards when in need of new uniforms.
- The uniform color for our Travel Soccer Program will be home Whites, and traveling Navy. The highlight color in the logo is gold and white as it is in the Baymen Soccer Club logo. Short and sock color will be black.
- Our logo is as you see above. It will be setup in the format above but the tag line will just say "Soccer" not travel soccer. If you wish to add your team name instead of the word soccer you may do so but there is a \$175.00 cost to setup the artwork. All jersey embellishments are charged at our cost. There is no setup fee for the "Bayport Soccer" logo.
- Currently we are using Nike uniforms. All prices are inclusive of taxes and delivery unless an order is requested "rush".
- The Logo on the front chest of the jersey is a \$5.00 Charge. Number(s) on the back are \$4.00. Embroidering is \$5.00 per location.
- Contact **John Forster** to obtain an order sheet and discuss the options. Please email first at: nikesoccerli@aol.com
