Jobs that count towards work hours:

| | |
|--------------------------------|------------------------------------|
| Arena Work | General Maintenance |
| Cleaning | Working Concessions |
| Running time clock during game | Keeping Score Book During Game |
| Bingo | Does NOT count: Penalty Box |

- A. All families at each level will work tournaments at that level regardless of hours already applied. Tournaments are a big fundraiser to the association, and require all to participate.
- B. The following are considered automatic 20 hours if **active and continued** throughout the entire season:
- | | |
|----------------------------|-------------------------|
| ▪ Board member | Coach |
| ▪ Tournament chair person | Fundraising Coordinator |
| ▪ Registration coordinator | Concession Manager |
| ▪ Equipment Manager | Scheduler |
- C. Concessions for your son/daughter are put on a schedule by family at each level of play. You must find someone else in the association to come and take your place if you are unable to work your scheduled night. For example: You could switch with a parent at a different level. They would come and work your shift and you would go to their game and work their shift. The BHA feels that the number one priority of its members is to honor work hours at the Benson Civic Center, however, because we are a paired association we encourage you to help if needed at the Lee Community Center.
- D. Please be honest with the time you are recording. The object is not to hurry and get rid of hours but to relieve the workload that many people have taken on for themselves in the past so that everyone is putting in equal time. Remember this is one way for the Association to keep costs to a minimum.
- Record work hours on log sheet located in concession area

Should you have questions about any of the jobs, do not hesitate to ask questions.
