Please remember, this is our 2nd year in this new program & our bottom line goal is getting the boys playing baseball. Once again the plan is to play double-headers, however that will be determined by the number of teams we end up with. In 2010, there were 66 players (6 teams) playing 1 level (age 10-12). This year we're looking to expand to 3 separate divisions: 9/10; 11/12; 13-15. So please indicate any weeks you aren't available so we're able to divide teams accordingly.
