FAQ

- * Where do I get my uniform?
 - * Uniforms are available at Nebraska Sporting Goods (84th & H).
- * When can I pick-up my uniform?
 - * Coaches and team managers are currently scheduling “team nights” so players can try on uniforms and ensure they get the correct size. Your coach/manager will communicate when this night will be. Once you have picked the correct size, uniforms will be available right away in the store.
- * What if I can’t make my “team night”?
 - * No problem, simply head to NSG (84th & H) and they will get you individually sized. Please let them know you are with the Bellevue Soccer Club and you are purchasing the “Select” uniform for the upcoming year.
- * Why do I need to buy another uniform?
 - * All uniform manufactures set an “End of Life” on a style of uniform. That is typically every 2-3 years. Our current Puma uniform had reached its end and would not be available in the upcoming year.
