### *Reminder ! USA Hockey Registration*

Your USA Hockey Registration expires August 31, 2011. This means that your insurance coverage through USA Hockey ends on that date unless you register for the coming year by Sept. 1, 2011.

Coverage runs each year from Sept. 1 through Aug 31. You will need to register online prior to DLYHA registration this year, and you must print and bring your confirmation page with your registration materials. This is mandatory in order to register players with USA Hockey and DLYHA.

### *The Importance of Team Managers !*

Each season brings many jobs and responsibilities that need to be taken care of in order for DLYHA teams to run smoothly during the season. The job of team manager is the most important volunteer job on any team, along with the coaching staff.

There are a few responsibilities that go with this position, to keep the team on track for the season. The managers will be given complete instructions and any help needed from the Team Manager Coordinator to make the job as simple as possible.

Please consider stepping forward this year to be a team manager once your son or daughter's team is selected.

If you have any questions, please contact me and I will answer any concerns you may have.

Thanks you.
