Gentleman,

Just wanted to drop you a quick note and thank you both for a great year of volleyball. Bailey has not stopped talking about how great you guys and her other coaches Sebastian, Summer and Altone have been.

Over the past year Bailey has learned what it takes to be a great player and more importantly what it takes to be a great teammate. The Tribe has not only been a positive experience for her, but our whole family. We really appreciate your upfront style and honesty.

We are all looking forward to the upcoming clinics, mini and travel season.

If there is anything we can do to help you and the Tribe be successful please do not hesitate to ask us...

GO TRIBE!

Thanks again for everything,

The Pearlman Family
