Dear Dean

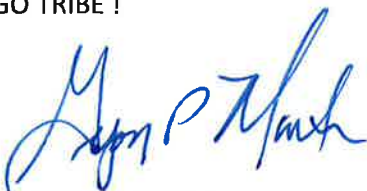

I just want to take a minute to thank you for a great club volleyball season this past year. The Martin Family participated on both the 13 gold and the 16 gold teams and had a very enjoyable and successful season. Your program has come a long way in a short time and has become one of the premier club volleyball programs in the state.

I particularly want to make mention of the coaches that we were involved with, Graham, Abby and Sebastain. They all did a terrific job of instilling teamwork, and bringing the joy of the game to their group of young ladies. I feel that they did a good job working with each individual kid but also creating a team environment that was able to compete on the state and national level. We all wish they could have won a few more games but in then end, the life lessons and friendships that they established are far more lasting than a final score of a volleyball game.

My daughter Carolyn has learned many of life's lessons through the program. She has learned how to be a good teammate and not give up, how to work hard to achieve a desired goal, and how to order room service. My daughter Sarah( 13 Gold) summed it up pretty good with the following quote: " I loved Tribe, I enjoyed making new friends, and I got to learn a lot more about a game that I love to play"

Congratulations on a great season and we look forward to seeing you next year.
