<b>Total</b>	\$555.00	\$360.00	\$270.00	\$495.00	\$315.00	\$175.00

### Fundraising

Profits generated from fund raising cover administrative expenses that would otherwise need to be passed on to each player in the form of increased assessments.

Since the profits generated from Concessions and Gold Card sales benefit every player, participation is required.

This fee includes \$20 for each gold card (5 cards for Mites and 8U, 3 cards for Mini-Mites, Termites and 6U) plus \$20 for concessions for all levels except Rookie Mites.

You have the option to 'recoup' this fee as listed below:

**Gold Cards** - Each player will receive cards as listed above. You can sell the cards and have the checks made out to you -- Instant cash back.  
If you wish to sell additional cards, the cost is \$14 each and when you sell them for \$20 you keep the \$6 difference.  
Cards will be available in late August, watch the CCHA website for pickup dates

**Concessions**- You may sign up for Ice Credit shifts to work the concessions stand at \$8 per hour.

### Payment Information

See payment schedule outlined above. Any registration form or initial payment received late will be assessed a \$50 late fee.

All assessments made after teams are finalized must be paid within two weeks of billing in order for player to continue to practice/play.

Late accounts will be assessed a 1% penalty per month until paid.

- **Check** – Please include a check for the amount due and reference the player name in the memo section
- **Credit Card** – If you are interested in paying by credit card, please go to [www.cchockey.org](http://www.cchockey.org) and select the "Online Payments" link.

Note: Payment Plans are available. Please contact CCHA Treasurer for more information.

auto-pay option.
