

## Stars Voucher Fundraiser

We are pleased to announce the Lincoln Stars have provided us with an Individual fundraising opportunity we feel provides our members the opportunity to subsidize a portion of the cost of playing hockey. **First and foremost, this fundraising opportunity is completely VOLUNTARY.** You are not required to participate.

The Lincoln Stars have offered us the opportunity to sell ticket vouchers to Stars home games. This voucher can be used to purchase a ticket to ANY Lincoln Stars home game (subject to availability). It is like a coupon with a \$15.00 dollar value you exchange at the stars ticket office. Those purchasing these vouchers may redeem them at the Stars ticket office for a Stars home game of their choice (subject to availability). The ticket vouchers will be sold for \$15.00 to the general public; however, the Stars are only charging us \$8.00 for each voucher. Thus, you get to keep \$7.00 for each voucher you sell. What a great way to subsidize the cost of playing hockey.

During registration you will be given the option to purchase 10, 20, 30, 40, 50 ticket vouchers. Ticket Vouchers will either be mailed or handed out by the team manager at your child's first practice. You will then use the ticket voucher to sell to Friends, Family, or Co-workers, for \$15.00 dollars a voucher. You can also use the voucher for yourself and family members to attend Lincoln Stars Hockey games for almost half the cost of a regular season game ticket price. It is certainly a great deal if you plan on attending a couple games this season.

Here's a recap of the program:

1. Purchase 20 ticket vouchers for \$8.00 – total cost to you is \$160.00
2. You sell the 20 ticket vouchers to friends, family, co-workers, etc. for \$15.00 – the total amount you collect is \$300.00. You keep \$130.00 to help pay for the cost of playing hockey.
3. A "Voucher" is not an actual ticket. The owner trades the voucher in at the Star's Ticket office for ANY home game throughout the season for an actual ticket as long as that game has not been sold out. So anyone with a voucher will get to choose from 30 different home games.

If you would like to participate in this VOLUNTARY fundraising opportunity Just click on the number of vouchers you would like to receive at the time of registration. It will be added to your registration total at the end. You can purchase, as many as you wish, however, there are NO refunds for vouchers you are unable to sell.
