REDWINGS HOCKEY 2011-2012 SEASON

Welcome Back! It was great to see many familiar faces at Addison and I hope you all enjoyed your summer. The 2011-2012 Hockey season is quickly upon us. After a strong spring and summer training our players are ready to be "Back in Black" as they proudly breakout their Redwing sweaters.

The RHO coaches and Board of Directors have been hard at work over the summer and are excited by the prospects of this 2011-2012 Redwing Hockey season. First and foremost, we plan to continue those things you have come expect from the Redwings, ***excellent coaching, small team sizes, incredible amounts of ice time, a family atmosphere and consistent practice schedules***. We are expecting this year to be filled with old friends, new faces and outstanding hockey as we come together on our new 2011-2012 teams.

We will be adding to the strength of our program by once again offering the first session of Learn to Skate for free. We had approximately 80 kids take advantage of that program last year and many of them are now Redwings! Talk to your friends and neighbors, now is a great time introduce their children to the game we all know and love! **Share your passion!**

Don't miss the season kickoff ***Open House on Sunday August 14 from 5:30-7:30pm***. The rink will be open for skating and there will be complimentary food and drinks for everyone. Skates from the Chicago Wolves will be on the ice with the kids at 6:00pm. We are also featuring the return of the "**Dunk the Director**" Dunk Tank. (I personally will drop a few ice cubes in the tank to ensure Coach Rob is really comfortable) This is an open house, as well as a welcome back, so please invite anyone with an interest in our program and point them in our direction for this fun event!

On the next pages you will find the training camp and tryout schedule, the fee schedule and a registration form you can bring to your first training camp session. If you have any questions regarding registration contact us at Registrar@redwinghockey.com. Please direct any of your skating/team questions to Coach Rob at HockeyDirector@redwinghockey.com.

Coach Rob has a great line-up of coaches planned for this year and they can't wait to get back on the ice. Our coaching team is eager to see the growth returning players, meet the new faces and put together a slate of great teams for 2011-2012.

See you at the Rink!

RHO Board President

Training Camp/Evaluations

Training camp fees remain the **same as last year** - \$350 per skater. This includes 13 one hour practices running from Monday August 15th thru August 31st. The training camp schedule is attached and evaluations will be held on September 1st, 6th and 7th. Our regular practice schedule will commence on September 12th. USA Hockey Registration is mandatory for all skaters. This must be completed before you are allowed on the ice. Please register ahead of time and bring your confirmation number with you. (www.usahockeyregistration.com) or send forward it to registrar@redwinghockey.com.

Fee Reduction Opportunities

We will continue the excitement of the **Redwing Raffle** at our fundraising dinner. Your packets of tickets (still \$200) are mandatory and will be available upon registration. Additional 20 packs of raffle tickets are available to you at \$100 allowing you to put the leftover \$100 toward your fees after you sell them.

New this year is **Web Based Advertising**. We have opted to cancel the expense of the annual directory in favor of zero cost advertising on our website. Zero cost means pure profit to the organization. As always 75% of whatever you sell will be applied towards your hockey fees. We will also offer Ice Rink advertising opportunities (boards and banners). More details on these programs will be available at the rink during training camp.

For the 2011-2012 Season we will be offering a one time only **3 Year Pre-Pay Program** which will allow members to prepay fees in advance, providing three years of full participation (training camp, tryout, fall and spring programs). This program provides a nice discount on fees with the added bonus of not having to write a check for hockey for 3 years!!! Space for this **program is limited**, so if you are interested contact us at registrar@Redwinghockey.com and a board member will contact you regarding the specifics.

Registration/Fees

Our goal as an RHO organization is to make sure our rates remain competitive and stable. We believe our rates are among the best in the mid-west for the private nature of our club, extended ice hours, quality of coaching and the Redwing family atmosphere. The size of our Redwing teams is unmatched – resulting in more ice time for each of players. The RHO Board is working to ensure that we manage very modest fee increases over the coming years!

It is our goal to have a streamlined online registration program up and running by evaluations. Again, pre-registration with USA Hockey is mandatory for all skaters. Bring your number to training camp or forward it to registrar@redwinghockey.com

Uniform Program

For any new players who have not yet been fitted, the cost is \$300 and will include both a home and away jersey, socks and a personalized warm-up set (pants and jacket). Our equipment manager will be available at equipment@redwinghockey.com to assist with questions.
