*includes goalies for Girls 12U, Peewee, Girls 14U and Bantam. MM/Mite, Girls 10U and Squirt goalies pay the same rate as skater.

TBD: rates are figured to cover costs through the district playoffs. Any team advancing to Regions, State or choosing to skate beyond district playoffs for any other reason may be assessed additional dues.

Player will not be allowed on ice if payment is not made by the due date.

Payment includes: 2 away tournaments, ice costs for practices, games and scrimmages, referee costs, District 5 tournament costs and non-parent coach fees.

Does not include: Tournament gates fees or bus trips. (team will need to collect additional fee from each player to cover these costs.)

Flat rates dues are dependent on teams continuing to do level related fundraisers such as steak fries, meat raffles, chuck-a-puck sales, etc. and participation in all association fundraisers.

Requirement of 20 volunteer hours per player, in any combination of concession stand hours and any home tournament scheduled jobs.

Volunteer hours can be bought out for \$7.50/hr and paid up front at registration (\$150.00). All unworked volunteer hours will be assessed a penalty of \$20/hr at the end of the season and player is not able to participate the following season until paid in full.

Team jobs such as timeclock, penalty box and scorekeeper do not count towards volunteer requirements.
