

Thank you for trying out for Olentangy Travel Baseball.

We had a great turnout for the 12U age group and have formed 3 teams. There are enough extra players to consider a 4th team for this age bracket which will allow us to develop more baseball players for the High School programs. If you have interest in Coaching the 4th team for 12U baseball, please contact the Travel Council (contact page on Web site), and discuss the potential of the extra team.
