## HOCKEY CLUB, INC.

P.O. Box 1142, Barrington, IL 60011

### **Barrington Broncos Hockey Club, Inc.**

### **Payment Policy and Procedures**

### **2011-2012 Season**

#### **Introduction**

The Barrington Broncos Hockey Club, Inc. (BBHC) is dependent upon player fees to provide the majority of funding to cover the following expenses: ice time, coaching, referees, league fees, equipment and many other related and essential expenses.

#### **Payment Schedule**

The fees and schedule for payment will be set and approved by the BBHC Board of Directors. The fees will be based upon the needs of the organization. Every effort will be made by the Board to minimize the financial obligation placed upon member families.

BBHC will not send out bills to its members, or relentlessly chase down the non-compliant. It is our expectation that all fees will be paid on time and in accordance with the published fee schedule. Failure to meet the scheduled obligation will result in a player not being able to participate in team activities, including games and practices. The commitment to pay all fees is binding, notwithstanding circumstances, which may occur that limit a player's activity with the team. Generally, no refunds of fees will be made.

#### **Payment Methods**

BBHC will accept the following forms of payment: Personal checks, certified bank checks or cash. Checks should be made payable to BBHC, Inc. If by chance a personal check is returned due to insufficient funds, you will be responsible for all related fees incurred by BBHC and from that point onward the only forms of accepted payment will be cash or certified check.

#### **Payment Plans**

The Board recognizes that unexpected events may occur in a family, and the club is willing to consider special financial arrangements to allow players to continue to play hockey. The board will consider formal arrangements or plans, which address alternate payment schedules. All such plans must be submitted to the Treasurer, and approved by the Board **prior** to payment due dates. Failure to comply with this process will result in a player not being able to participate in team activities, including games and practices.

#### **Fundraising**

BBHC has developed several successful fund raising programs that apply the majority of funds raised directly to the individual player's fees. In prior years, many players have met 100% of their obligation via these opportunities (Note: when considering payment plans, the Board will review the level of participation in programs such as this and other fund raising opportunities.)
