consistently successful volleyball clubs in the country.**

**All our teams are provided with a high-level experienced coach who offer players
strong fundamental skills, tactics, & strategies.
Our training program is designed to provide a structured learning environment that
instills the importance of teamwork, self-discipline, commitment & good
sportsmanship.**

**Riptides is proud to have consistently graduated a number of student-athletes into
D1 colleges across the country and, most importantly, has developed
a lifetime love of the sport of volleyball in its players.**
