

# ***CENTURY HAWK CLUB 2011-12***

“**Century Hawk Club**” was established in 1983 by former athletic director, Mr. Fred Smith. The campaign is coordinated through the Ankeny Sports Boosters. This fundraiser has grown to provide approximately 20% of the Ankeny Sports Boosters’ income.

The “**Century Hawk Club**” is a group that, through their monetary contribution, helps support the student athletes of Ankeny Senior High School. In return, the Ankeny Sports Boosters provide an admission pass which will allow you free entrance to any or all of the regular season home athletic events beginning with the fall sports seasons and ending in the summer with the softball/baseball seasons.

**Over a \$500.00 value**

Please consider this opportunity to support our student athletes.
