

Girls In-House Team

Advanced level players - 8 years old to 14 years old

In-House teams are for those players that are ready for team play. These players are drafted on In-House teams which play against one another once a week throughout the session. This program is designed to further educate the player with the rules, positioning, and game strategies needed in hockey to become a competitive but fun player. This is also the developing stages for Parent Coaches to further their interests in coaching. Parent coaches will be guided by Hawk coaches towards learning the techniques needed in developing their Coach Teaching skills.

Students who sign up for the In-House program will participate in the Saturday practices and Sunday games. Teams will be on a rotating schedule for the Saturday practices and Sunday games. The Basic Rules of hockey are taught at this level.

Equipment Requirements: USA Hockey approved helmet & face mask, hockey stick, shoulder pads, hockey pants, protective gloves, elbow pads, knee/shin pads, hockey skates and neck guard.

USA Hockey Registration: All participants must register on line with USA Hockey (free to those under 6 years old)
