Golf Tournaments Help Moorhead Youth Hockey Association and MYHA Family

10th Annual MHS Boys and MYHA benefit as community shows support

The 10th Annual MHS Boys and MYHA Golf Tournament was another great event for a great cause. The weather was perfect and teams were in great spirit throughout the afternoon which carried on into dinner and the silent auction. National Hockey League players Brian Lee and Chris VandeVelde were in attendance and Minnesota State University-Moorhead's Athletic Director, Doug Peters, spoke to the group about the possibility of Division I Hockey coming to Moorhead. Thank you to all that participated in this year's tournament. See you next year!

Vicky Westra: Tee'd Off at Cancer

On August 11 a fund raiser was held for Vicky Westra which included a golf tournament and silent auction. The golf tournament was held at Ponderosa on a beautiful day and 42 golfers took part in the event. The winning team included "the refs and Cooper" who posted a low score of 26 for nine holes. That evening a very successful silent auction was held at Gio's where over 50 items were auctioned off in order to raise matching fund from the Dakota Medical Foundation website. Overall, with the help of many MYHA members and non-members we were able to have a successful event.

DONATE CELL PHONES

In 2007 MYHA started a cell phone recycling program whereby the association receives a rebate check for the old/unused cell phones that we donate. The donated cell phones are refurbished and utilized for 911 purposes for women in crisis throughout the US and redeployed nationwide to developing countries to improve quality of life through communication. Please place your unused cell phones in the drop box located by the concession stand in the lobby, or bring them into the office to support this worthwhile cause. Please note that cell phones must be in working condition and cell phones that have water damage or are defective will not be processed.
