What are my Permissions?

To determine your permissions on the website:

1. Log into the website (upper left corner)
2. Click on the Admin Control Panel—Upper Right corner of site

3. Click on the "My Access" Tab to view your access and link directly to the page(s) you have been granted editing permission over.

* Use the "Edit Mode" to build content and pages, while using the "User Mode" to check your work. (found directly below the "Admin Control Panel" button)
