

Thank you for trying out for Olentangy Travel Baseball, the jump from coach pitch to kid pitch is a significant change, especially when going to travel. The nice smiling dad trying to groove it over the middle of the plate gets replaced with a big ol' flame throwing, no idea where it's going, 9 year old from Grove City who is trying to strike your son out.

Many of your sons have never experienced striking out before, and it can be pretty dramatic for a while. If your son did not make a team, please don't worry about it and just go play next year. A full season of kid pitch in OYAA or elsewhere will be very helpful to your son. It is a long journey and this is very early in the game. Thanks to everyone for trying out.

We have put 3 teams together. Andy Smith will coach a team that will compete at the highest level of COYBL. The other two teams were picked trying to make two equal teams based on the numbers. Pitching and hitting were given special consideration. Brendan Nageotte will be coaching one team and Bill Elmore and Brad Sunderland the other.

A \$250 deposit will be due sometime in early September to secure your spot on the roster and the coaches will be in contact with you soon.
