

September 2011

Dear Arapahoe Warrior Hockey Coaches, Managers, and/or Parents:

First and foremost, the Arapahoe Ice Warriors Booster Club is looking forward to a very successful 2011-2012 season on and off the ice. Go *Warriors!*

The success of our teams starts with all of the Coaches who teach, mentor, and help grow the hockey players. We cannot thank enough the Coaches for volunteering their time towards the game of ice hockey at Arapahoe.

To the Managers of each Arapahoe Ice Warrior team, you are the key to keeping the teams cohesive and spirited. More than anything you allow the coaches to do what they do best without having to worry about any logistics, and there are plenty of logistics! Thanks for volunteering your time and coordinating everyone.

To the Parents of the ice hockey players, congratulations on becoming a 2011-2012 Arapahoe Ice Warrior Hockey Parent. As a parent of an Arapahoe Ice Warrior travel hockey player, you are now a member of the Arapahoe Ice Warrior Booster Club. The Booster Club relies on our members/parents to actively be involved for a successful organization.
