

# CHEWEY FUND

## MONDAY NIGHT FOOTBALL POOL

AZ RUNNERS SQT Minor Hockey TEAM is organizing a Monday Night Football Pool Fundraiser for Coach Mark Cherwinski. Coach Mark is 37 years old and he has recently been diagnosed with End-Stage Renal (kidney) Disease. ESRD occurs when the kidneys are no longer able to function at a level needed for day-to-day life. Mark's kidney disease has worsened to the point that his kidney function is less than 10% of normal. He currently needs dialysis every other day and is on the national transplant waiting list. Mark has 3 beautiful kids and an amazing supportive wife, Wendy.

Our Monday Night Football Pool is raising funds for Mark's 9 year old son Dylan (aka Chewey) to be able to be a kid during this stressful time and play the sport he loves, HOCKEY! With Mark's astronomical medical bills, hockey would not be an option for this young heart. With your help and generosity however, Dylan's season on the AZ RUNNERS Squirt Minor Hockey TEAM can and will happen. Please pray for Mark and this family and help this child be happy.

### ALL PROCEEDS WILL GO TO THE CHEWEY FUND!
