

Coaches/Managers:

Here are the basics for the travel league.

You are responsible for knowing the rules. League rules are available on the CPYSL.net website under downloads "coaches guidelines" http://cpysl.net/Downloads/downloadfolder/92742557_REVISIED_GUIDELINES.PDF

Please be sure to copy your roster and keep the original protected.

The roster now doubles as your line up sheet for games, so bring 3 copies to each league game.

Don't forget to fill out your pink game card, have the ref for each game sign it, and either fax or send it into CPYSL at the end of the season. Instructions are on the card. There is a fine if you do not send in the card. Bring exact change for the referee. Your checks will be sent shortly, though you might have to front your first game.

Have your player passes with you at all games. Have your medical release forms with you at every event. You collect those directly from your players.

Any game rescheduling needs to be completed in the system by October 7th. Please clear times/dates with me before rescheduling as the fields might be in use already.

There are always questions regarding cancellations. You are not to cancel a game. You will be fined and charged a forfeit. If fields are closed, the club arranges the cancellation and you will be notified and told to contact your opponent. If you need to change a game, you do that

on the cpysl website. You will have to pay the fine most likely as there are very few 'excusable' rescheduling reasons. It's 35\$ and worth it if it is important to you (ie, 1st holy communion, etc). It must be done at least a week before the game would have been played. It's supposed to be completed 2 weeks before hand. You must make sure the opposing coach is aware and agrees to the new date/ time.

Please contact me if you need further guidance or help with anything.

Good luck this season! Maribeth

Referees' Fees: Age Total Half Fee / Team

U9/10 \$32 \$16 per team

U11/12 \$40 \$20 per team

U13/14 \$46 \$23 per team
