

NORTH EAST SOCCER ASSOCIATION

2012 SUMMER SOCCER

Online registration is open now
through September 30th at

www.nesasoccer.org

(After this date a late registration fee may apply)

North East Soccer Association (NESAs) offers a competitive traveling soccer program to boys and girls between the ages of 8 and 19 in the communities of Maplewood, Oakdale, North St. Paul, and the surrounding areas. As a community-based, volunteer-run, non-profit Club, NESAs strives to provide affordably priced, competitive soccer for all players at their level of play. Our teams compete in the Minnesota Youth Soccer Association (MYSA) against teams from the east metro area. The season runs from April through the end of July and home games are played at the Hazelwood Soccer Complex in Maplewood.

New to NESAs this year is an off-season player development and team training program at the Vadnais Sports Center in Vadnais Heights. The Saturday training sessions will begin in November and run for 22 weeks. The cost for the training is included in the registration fee.

Team placement evaluations (tryouts) will be held October 15 & 17 (as needed). Players who are registered by September 30 deadline will be included in the evaluation process; placement on a team cannot be guaranteed after this date.

2012 Registration Fees:

Registration fee for players U9-U10 is \$220

Registration fee for players U11-12 is \$270

Registration fee for players U13-16 is \$290

Registration fee for players U17-19 is \$245

Partial payment plan is available using the FlexiPay option

The registration fees include: MYSA registration fees for club, team, player, and coach; player and team training; coach training and licensure fees; team equipment needs; referee fees; post-season tournament fees; State Jamboree fee; field usage and maintenance costs, risk management and insurance costs; and club administration costs. Player uniforms are not included in the registration fee.

For more information about the NESAs soccer program and to register for the 2012 season, visit our website at www.nesasoccer.org or contact:
