Join in the Fun

This is your chance to take part in our annual Ice Show which this year is focused on acoustic songs.

The show will be on Friday June 1st at 7:00pm and Saturday June 2nd at 1:00pm & 5:00pm.

There will be six production numbers and skaters who can land a clean axel can skate a solo if they wish. In addition to the group numbers there will be the opportunity for skaters to perform duets & trios. **You must be in a production number to skate a solo, trio or duet.**

All music must be an acoustic recording and agreed with Chris.

It is sure to be great fun and will give you the chance to showcase all the skills that you have learned this season.

Rehearsal

The group numbers will be rehearsed between the 17th and 31st May. A full rehearsal schedule is included in this brochure.

It is very important that you commit to taking part in as many rehearsals as possible as this will have a significant impact to the quality of the performance.

Tickets

Tickets for the show will be \$9 & sold on a first come first serve basis. They will go on sale on Tuesday May 1st at 9:00am. There will be tables on the ice available also. Please see Karen Kay for prices and availability.

Tickets will not be available for purchase for the Friday show as this will be a charity performance.

Costume Measurements

Applications are ONLY being accepted online. Please note that the most important measurement is the girth measurement. Measure the girth from the center of the right shoulder, through the crotch, and back to the starting point. Hold the tape loosely. When in doubt let the girth measurement be your guide. If you have any questions regarding this please contact Lauren Maday at: Lmaday@glacierskate.com

Application Deadline

All applications must be in by Friday 13th April, with FULL PAYMENT.

There will be a \$25 late fee for any applications received after this date, subject to costume availability.

What's Included?

To have a solo, duet or trio you must also be in one of the production numbers.

The price includes: Rehearsals & Choreography, Costume (Production number only). DVD \$25 extra.
