

Dear Essex Youth Hockey participant,

Sports Central would like to thank all of you who visited our store during the 2010 season. Without the local support from people like you, small businesses like ourselves, would not survive.

Once again, for the 2011-12 season, Sports Central is proud to be a sponsor of Essex Youth Hockey. We look forward to providing excellent products and services that compliment the success of your organization.

Please accept this discount card for your upcoming season. Print this off and bring to Sports Central to have validated.

Thank you and good luck this season.
