**Players get a great soccer jersey!**

**All players receive an award at the end of the season!**

**Have your Kicker come to training with a ball, shinguards, and soccer cleats, or athletic shoes.**

We are very excited about the upcoming Indoor Kickers Academy, and we hope you are too! Over the course of the 8 week session, your child will learn many different soccer skills. Much of the learning is done through fun games, which incorporate using soccer techniques. We will also be playing soccer games, and holding mini-tournaments throughout the session. Our goals are to ensure that players of every level have fun while learning about soccer.

Please come a bit early on the first week of training, so we can check your child in and issue him/her their soccer jersey. Please have them wear their jersey to each training.
