

October 1, 2011

Dear Foothill Lacrosse Alumni, Families & Supporters,

Foothill Lacrosse carries an exciting tradition of high level lacrosse at Foothill High School. In May 2011, Foothill Lacrosse earned its 5th consecutive US Lacrosse Southern Section CIF Championship Title.

The success of our program relies on three key elements; supportive families, determined athletes, and dedicated coaches. Our athletes thank you for getting behind Foothill Lacrosse at a time when lacrosse was relatively new to Orange County and new to the west coast.

This year our Foothill Lacrosse Booster Club (and all other high school booster clubs) is challenged with new limitations for raising funds. These restrictions prevent us from charging fees and limit our boosters to solely operate on a donation basis. As you can imagine, we face new challenges with raising money and gathering other forms of support.

The Mission of the Foothill Lacrosse Booster Club is to maintain the caliber of our program as the Premier Lacrosse Team in Southern California. In doing this we are asking for your help.

We invite you to be a supporter of our newly established 'Man-Up' Club for Foothill Lacrosse 2011/2012. As a supporter we will notify you of upcoming events and reward you with some fun Foothill LAX attire! These events are specifically designed for our alumni, their families and supporters. You will have the opportunity to reunite with friends, stay in touch with Foothill LAX and help continue the winning tradition of Foothill Lacrosse. We look forward to seeing you; as you are a great part of the Foothill Lacrosse Legacy. Your influence and contribution will be forever appreciated.

With Much Gratitude for your Support,

Matt Hudack
Foothill LAX Booster President
