

FHIT Players Just Added Gold:

FHIT Players is excited to announce that John Harrington has been hired as the Hockey Director at FHIT Players. John will supervise, oversee, and manage the coaches and training staff at FHIT Players. He will be working with and teaching the already seasoned staff and bring the element of coaching experience and professionalism to all the hockey programs, services, and divisions at FHIT Players.

FHIT Players takes pride in providing hockey players with all the best benefits possible and continues efforts to stay ahead of the game and improve every day. The one ingredient FHIT Players missed in the past was a seasoned professional coach who has been around and involved in hockey in almost every aspect possible. It is safe to say John Harrington brings that to the table along with high expectations for all the hockey programs, services and divisions within FHIT Players.

Everyone knows John Harrington for his gold medal as a player on the 1980 U.S.A. Olympic team. Most also probably know him for his collegiate coaching experience and his various contributions to Minnesota hockey. However, what stands out the most about John Harrington is his passion for the game and desire to help young hockey players become better people. He wants to give back.

Does anyone completely understand FHIT Players? What is it? .

FHIT Players is known for partnering with the best people, services, programs and businesses in hockey. FHIT Players is already the leader in player development and advancement.
