

Don't have a gift to send Grandma in Florida?

Need a Holiday surprise for employees at work (or better yet, an idea for your boss for his/her employees)?

Looking for a special thank-you item for a friend or neighbor?

Maybe your home is simply in need of some serious seasonal greeting décor.

....NO PROBLEM! SOUTHWEST HAS YOU COVERED!

Join us as we work together to provide a hassle-free experience; and raise money for our organization all at the same time. No coordination of pick-up or delivery, and without the stress of door to door selling.

Here's how it Works:

- ✓ Get creative. What could you personally use, what could you send to others, or do you know people who could utilize this gift opportunity?
- ✓ Complete the Order Form for each item with the option to personalize greetings for each gift recipient.
- ✓ The item is priced with a flat fee rate which already includes cost of the item, tax, shipping and delivery.
- ✓ Return the completed order form to Kerry Curtis, Southwest Eagles Fundraising with check or money order, made payable to Southwest Eagles for the total amount of all items ordered. Order Forms, with Check or Money Order, must be received on or before November 15, 2011.
- ✓ Purchased items will be sent directly to either the purchaser or a gift recipient. Orders cannot be shipped to P.O. Boxes, APO or FPO addresses.
- ✓ Items will be sent via Fed-Ex ground shipping and will ship beginning November 25, 2011 through December 9, 2011, and your gift will be received in 3-7 business days from the shipping date, depending upon location.
- ✓ Southwest receives 10%-20% back on every item purchased.
