

COACHING RESUME

Experience:

2007 to Present: Head Coach Country Day School of the Sacred Heart. I took over this program when it was just a JV team; they did not compete at the varsity level. In 2008, our first year of varsity competition, we finished 11-7. We placed several players on the All Main Line Team as well as the All Delco Team. We finished second in District in 2009, with a record of 12-4. District 1 Champion 2010 and finished 8th in the State, among A schools. Repeated as District 1 Champions in 2011.

2007 to Present: Head coach/Director Liberty Belle VBC. I have coached both the 14 and 18 teams for Liberty Belle. At least 8 of the players I have coached at the 18's level have gone on to play in College. These teams won medals at several tournaments including East Coast Championships, Northeast Qualifier and AAU Grand Prix. I also am responsible for running tournaments and camps/clinics for the club.

2009: Head Coach, The Baldwin School seventh grade team. The objective for this position is to teach the basics of volleyball to the girls so that they may progress to the high school varsity level. School moved season to the fall in 2010.

2002 to 2007: Head Varsity Coach St Laurence School, Highland Park, PA. In the 5+ seasons I coached at St Laurence, my teams never finished lower than third in league play. My teams won two league championships and finished as high as fifth in the Archdiocese Tournament. In addition, my teams won the Keystone tournament and finished third in the Garnett Valley tournament.

Over my 5 seasons, I graduated 29 players; 19 of them played for their respective High Schools. At least three are now playing in College

2003 to 2006: Coach Outsiders VBC. During these years I coached a 13 and a 14 team. I also spent the 2006 season as assistant director. My teams competed in tournaments throughout S.E. Pa. They were ranked as high as third in the Keystone Region and won medals at various tournaments including the East Coast Championships in Penn State. My 14 team in 2004 had 12 players; all of which made their High School Teams.

Certifications: Impact, CAP level I, also certified official for NFHS, USAV and PAVO
