PMI relationship discussion:

- Please voice any concerns over the use of the Resch Center to Jeff Mitchell or Jon Rogger.
- Brown County Arena will be ready to go on November 12th. Unfortunately there was an unforeseen problem with equipment so it will be 2 weeks later than expected.
- October 7th opening night Gambler game – would we like the Squirt or the PM Minor to scrimmage after the 1st period, both teams are unavailable so the Bantam teams will check their schedule.
- Please communicate to visiting teams that for the first game of the day the building is not open until 1 hour prior to game time.

Jim Edwards classic (Squirt & PW teams): having a difficult time getting teams to come in. Teams may need to cancel the fundraiser but use as a series of games to play different teams.

Open positions: we as a board have unanimously accepted the resignation of Brad Reabe as President.

Stephen Lovell has nominated and John Mans seconded Ron Van Den Heuvel as President, position lasting until the spring of 2013. All present were in favor.

John Mans nominated and Stephen Lovell seconded Bryan Hyska as Treasurer, position lasting until the spring of 2012. All present were in favor. The Vice President and Registrar positions are still open but we do have interested candidates. Bryan Hyska has been given approval to purchase an association laptop with a price of up to \$500.00

Sponsorship Program: Rob Luken is working on the program this year and is about $\frac{3}{4}$ complete, the goal is to be completed by 11/1.

Coaching appeal: An appeal was made from an individual who wished to be an assistant coach. Due to the results of the background check the board denied the appeal.

Meeting adjourned at 7:45 PM by Ron Van Den Heuvel and seconded by Stacie Palmer
