

# MAPLEBROOK SOCCER ASSOCIATION

## MapleBrook Family Grant Policy

Each year, Maplebrook Soccer Association will set aside a Board approved, designated amount of financial assistance to be granted families in need of support. It is the goal of MBSA to have as many children as possible playing soccer within our community and it is our desire to help some of these families presently experiencing financial hardship. Therefore the intent of the Family Grant Policy is that the money will be used to offset club, uniform and team fees for one season, making it possible for more children to participate in traveling soccer with the MapleBrook Soccer Association.

All requests must be submitted by 12/1 for play in the following spring/summer (e.g. 12/1/09 for the 2010 season). The financial aid committee will review and approve/deny requests. Because there are limited funds available, some requests may need to be denied. Priority will be given to first time requests.

Since this association is run primarily on volunteers, it makes sense that the Family Grant Policy involves a partnership between the player or player's family and the MapleBrook Soccer Association. In order for your application to be accepted, the player or the party requesting on behalf of the player must indicate how they in turn will support the association. Volunteer activities include:

- being a member of the association board;
- participating on an association committee;
- being a coach and/or manager for a team;
- volunteering significant hours (5-10 or more) for the association during tournaments, tryouts, etc...;
- doing fundraising for the club using fundraising programs available (e.g. scripts, oil changes, taste testing, please see the website for further options).

Once a grant has been approved, a \$100 deposit check will be required, this check will be returned in its entirety once the volunteer requirement has been completed.
