Hyland Commits to Michigan Tech University

PRESS RELEASE
November 3rd 2011

FOR IMMEDIATE RELEASE

The Alberni Valley Bulldogs would like to announce that 91 D Walker Hyland has committed to the Division 1 hockey program of the Michigan Tech Huskies. The Huskies play in the Western Collegiate Hockey Association (WCHA) of the NCAA.

“Walker is well deserving of this commitment. He has come in as a new player to the league and led by example,” comments Head Coach/Assistant Director of Hockey Operations Paul Esdale.

“Walker will be a very good offensive defenseman in college hockey,” states Esdale.

Hyland will attend Michigan Tech University in the 2012-2013 season.

“I would like to thank the entire organization of the Bulldogs, my friends, family and former Coaches for supporting me throughout my hockey career,” said Hyland. “I would like to thank the Michigan Tech staff for giving me this opportunity and I look forward to having a successful season in Alberni,” said Hyland.

For more information please contact Assistant Coach Adam Hayduk at 250.723.4412.
