

Volunteer Policy

Warren Township Girls Softball can only exist because of volunteers. Our Board of Directors volunteer their time. All of the coaches for our travel and our in-house recreation programs are volunteers. The concession carts and stand are also worked by volunteers.

We need our players' parents to volunteer to help continue to make the program a success. The following options are available for parents of each player. A \$100 refundable deposit must be submitted for each player with a max of 2 per family. This deposit check will be shredded after the completion of the volunteer commitment.

- **Coach**
Coaching requires more of a time commitment so coaching one team will fulfill volunteer requirements for multiple players in the same family.
- **Concession Stand**
Working in the concession stand requires volunteering for 1 time slot commitment during the season per player with a maximum commitment of 2 per family. The time slots available are 5:00 – 8:00pm M-F or 7:30 – 10:30pm M-W, F. We may have a few weekend games this season, so we will need volunteers for those time slots as well.

WTGS understands that these options may not be viable so there is also a buyout option of \$100 per player. If a volunteer commitment is not completed, the buyout option will be activated and the deposit check will be cashed.
