

HOPKINS

BASEBALL ASSOCIATION

Welcome to the new look of Hopkins Minnetonka Babe Ruth baseball!

Please:

- Bookmark or favorite this page. You'll be using this site a lot both this winter and spring. It gives you access to schedules, and instructional resources and lots of other cool baseball stuff.
- We remind you about several things:
 - Please register as member of the HMBR community (You MUST do this to further sign up for activities.)
 - Browse through the exciting resources, videos, photos and stories.
 - Register for winter clinics, volunteer opportunities and board positions (This is an additional registration step from the "community registration" above. This is also how you'll register for the season when the time comes...roughly around the New Year.)
 - Periodically check back in December for season news. A player-parent welcome meeting will be held in January.

We offer a special welcome to new 13 year-old players and their parents, and also to new-to-the-area 14 and 15 year-olds.

All of you in the Babe Ruth community may want to take a minute the next time you see Gran Harlow to say "thanks!" for all the work. Gran led several key board members to put this all together.

See the banner above...how many days till the season starts?

David Cousins
HMBR president
