This tournament is designed for children ages four to seven years old, with basic hockey skills. The goal is to experience the excitement of a tournament.

Games:

Games will be played “cross ice” playing three versus three with no goalies. Smaller nets or regulation nets with the middle blocked will be used for all games. A minute and half running clock will be used, for a total of 30 minute games. When the minute and half expires all teams will change players. Skaters not skating at that time will be seated next to the dividers. Coaches are responsible for watching and assisting skaters. Face offs will be used at the start of the clock or after a goal is scored. Teams should consist of six to nine skaters with at least one on ice coach.
