On March 10-11, 2012, the Boerne Soccer Club will host the sixth annual Andrew Peña 6 v 6 Tournament. More than 80 teams and thousands of fans throughout South Texas will participate in the tournament celebrating Andrew Peña's life and the game he loved to play.

Celebrating the Life of Andrew Peña

Andrew Peña was a funny, sweet, spirited boy who loved playing soccer. On November 5, 2005 after a fun-filled afternoon of soccer and playing with his best friend, Andrew died at the age of 10 of a heart condition that had gone undetected since birth. Rather than dwell in the sorrow they feel every day, the Peña family has chosen to relish their wonderful memories of Andrew. The Andrew Peña 6 v 6 Tournament is one of ways they celebrate his life each year.
