The Coaches' Selection Committee wants to inform you that the STMA GFA teams have been successful and that post season play is a possibility. This may mean traveling to National Tournaments. We also want to inform you that the expenses involved with an "A" team are different than with a "B or C" team. The "A" teams tend to travel further to play in more competitive tournaments, which may require overnight stays. Completing this form does not guarantee that you will be selected as a coach.

I understand that in applying for a STMA GFA coaching position, the information that I have furnished on this form is subject to verification, which will include a background check.

Completed applications can be sent to:
