

## **St. Michael-Albertville Girl's Fastpitch Association's Mission**

The mission of the St. Michael-Albertville Girl's Fastpitch Association (STMAGFA) is to provide a program for St. Michael-Albertville area girls to learn softball skills, build self-confidence, and enjoy the benefits of being on a team while having fun! The program is available to all who want to participate.

The league has been providing summer softball opportunities for almost 20 years. The program has experienced growth over the last few years, with an all-time high of 230 players competing for 15+ teams. Our teams have represented our community well by winning local and state tournaments while emphasizing sportsmanship and fair play. Recently, we have formed our own STMA House league so our youngest players can stay close to home, offered advanced hitting and pitching clinics for our older players, and upgraded our website to provide better communication with our current and prospective families.

Your support is vital for us to continue our mission in the community and grow the association. Please consider the following sponsorship options.
